Course Title: Unity through Diversity and Inclusion

Duration: 9 weeks   Price: $2,399.10

Overview:

The Unity Through Diversity & Inclusion Online Course is a comprehensive 9-week program designed to foster workplace harmony and enhance diversity appreciation while developing essential skills for creating inclusive environments. Through a structured curriculum delivered via online video modules, participants will explore key topics related to diversity, inclusion, and effective communication, gaining practical strategies to promote unity within diverse teams and organizations.

By the end of the course, participants will emerge with a comprehensive understanding of diversity and inclusion principles and practical strategies for fostering unity through diversity in their personal and professional lives. They will have developed a personalized action plan for promoting diversity and inclusion within their organizations, equipped with the knowledge and skills to drive positive change and create a more inclusive workplace culture.

WEEK	TOPIC	DESCRIPTION
1	Introduction to Diversity and Inclusion	- Understanding the importance of diversity and inclusion in the workplace - Exploring different dimensions of diversity (e.g., race, ethnicity, gender, age, ability) - Defining inclusion and its benefits for fostering workplace harmony
2	Unconscious Bias and Stereotypes	- Identifying unconscious biases and their impact on decision-making - Recognizing common stereotypes and their effects on workplace relationships - Strategies for mitigating unconscious bias and challenging stereotypes to promote unity

3	Building Inclusive Cultures	• Understanding organizational culture and its role in fostering diversity and inclusion • Assessing the current state of diversity and inclusion within the workplace • Implementing strategies to promote inclusivity, such as leadership commitment and inclusive policies
4	Effective Communication in Diverse Teams	• Developing communication skills for engaging with diverse team members • Recognizing cultural nuances in communication and adapting communication styles accordingly • Strategies for resolving conflicts and fostering collaboration within diverse teams
5	Allyship and Advocacy	• Understanding the roles of allies and advocates in promoting diversity and inclusion • Building allyship across different identity groups • Techniques for advocating for marginalized individuals and fostering an inclusive workplace environment
6	Leadership in Diversity and Inclusion	• Understanding the roles of allies and advocates in promoting diversity and inclusion • Building allyship across different identity groups • Techniques for advocating for marginalized individuals and fostering an inclusive workplace environment

7	Addressing Equity and Accessibility	● Understanding the concepts of equity and accessibility in the workplace ● Identifying and removing barriers to equity and accessibility for all employees ● Implementing policies and practices to ensure equal opportunities for everyone
8	Cultural Competence	● Defining cultural competence and its importance in promoting workplace harmony ● Exploring cultural differences and similarities to foster understanding and respect ● Developing cultural intelligence and bridging cultural gaps for effective collaboration
9	Action Planning and Implementation	● Reflecting on learnings from the course and identifying areas for improvement ● Developing a personalized action plan for promoting diversity and inclusion in the workplace ● Strategies for implementing the action plan and overcoming obstacles to foster unity through diversity
